

## Performance: You Have Options

The Crypton moisture barrier isn't necessary for every project. Specify the performance you need with the brand you trust. Nanotex by Crypton gives you and your clients more options.

Our barrier fabrics provide permanent stain and spill resistance. Each fiber of Crypton fabric is encapsulated to resist stains, odors, bacteria and mildew to help protect and maintain the value of your investment.

Providing superior cleanability and stain resistance, Nanotex is backed by all Crypton's patented stain/spill technology and is the perfect performance for spaces and applications where a moisture barrier may not be necessary.

| PERFORMANCE QUALITIES                     |  |  |
|---|--|---|
| Repels liquids and easily releases stains | ✓  | ✓   |
| Endures high traffic of contract spaces   | ✓  | ✓   |
| Permanent Protection                      | ✓  | ✓   |
| PFAS Free                                 | ✓  | ✓   |
| Greenguard gold certified                 | ✓  | ✓   |
| Patented moisture barrier                 | ✓  |   |
| EPA approved disinfectable                | ✓  |   |
| Warranty                                  | 5 year   | 2 year  |
