INCASE Crypton Technology...

Transform the performance of your favorite textiles.

Choose any fabric, and let INCASE do the rest. Powered by Crypton's revolutionary technology, GREENGUARD Gold Certified INCASE fabric protection is an advanced treatment that provides superior **liquid and stain repellency, odor protection** and **odor resistance**. It's perfect for cubicle curtains, draperies, upholstery, panel fabric, top of bed... just about anywhere that a moisture barrier isn't necessary. INCASE fabrics offer **superior cleanability** and can be **customized for each end-use and fiber type** — including chenilles, flat wovens, velours, cotton, wool, rayon, synthetics and many more.

INCASE provides multiple levels of fabric protection thanks to advanced formulations and the use of Silver Ion technology.
